

# Inspection 101 Textbook Policy

---

**Textbook policy for any 101** – The tuition of the course is \$630.00, the tuition includes the course law manual and supplemental handouts provided in the classroom. The course tuition does not include the required NHIE textbooks.

Students must purchase the course textbook titled NHIE Mechanical / Content Manual **and** The NHIE Structural and Business Manual separate from the course tuition. These course textbooks are required for the course of instruction and will be used to better prepare for the Inspection licensing exam / further understand practical concepts as they relate to the field of inspection.

The required textbooks are available for purchase at the school location or directly through the NHIE. Textbook fees at the school location are the same as the textbook fees noted online through the NHIE. The fees noted below mimic the fees noted at the NHIE website. The textbooks can be purchased online (links to purchase directly from the publisher are posted on the school website) or at the school admissions office. NOTE: The digital textbook option can ONLY be purchased through the school website [www.KeyRealtySchool.com](http://www.KeyRealtySchool.com)

Mechanical Systems \$129.50

Structural Systems \$129.50

**Buy the set of Mechanical and Structural Systems \$259**

**\*A digital version of the textbook is available online at [www.KeyRealtySchool.com](http://www.KeyRealtySchool.com) The digital version of the textbook set is \$150**
