

Seminar AUDIT

This informational worksheet is for an assessment student audit ONLY. This audit worksheet is not applicable to students who are repeating a course for no credit as an audit.

Key Realty School welcomes students who wish to audit a session to further determine if the course and curriculum is something they would like to participate in.

- Audits are only available DAY 1 of a given course session. Auditing students are not able to audit in the middle of a course offering.
- Audits are for 1 session ONLY
- Auditing students will not receive credit for the session that was audited
- Students who elect to audit must first check in with the admissions office of the school.
- Students who audit must abide by all school policies as it relates to student conduct when on campus
- Student who audit may be given copies of course materials to assist with the audit when applicable

Additional questions pertaining to course audits should be directed to the admissions office only. Instructors are not able to answer questions pertaining to course audits.
