The test prep course work is broken up into two separate sections. The first portion is Nevada Law and the second section is the national review. The content for each section is broken up into an outline format.

We strongly recommend printing out the course content for each section prior to viewing the videos sessions.

Should you have any questions on accessing the course materials please contact the admissions office at 800 472 3893 or email at [email@keyrealtyschool.com](mailto:email@keyrealtyschool.com).
