

Uploading NV CE Certificates

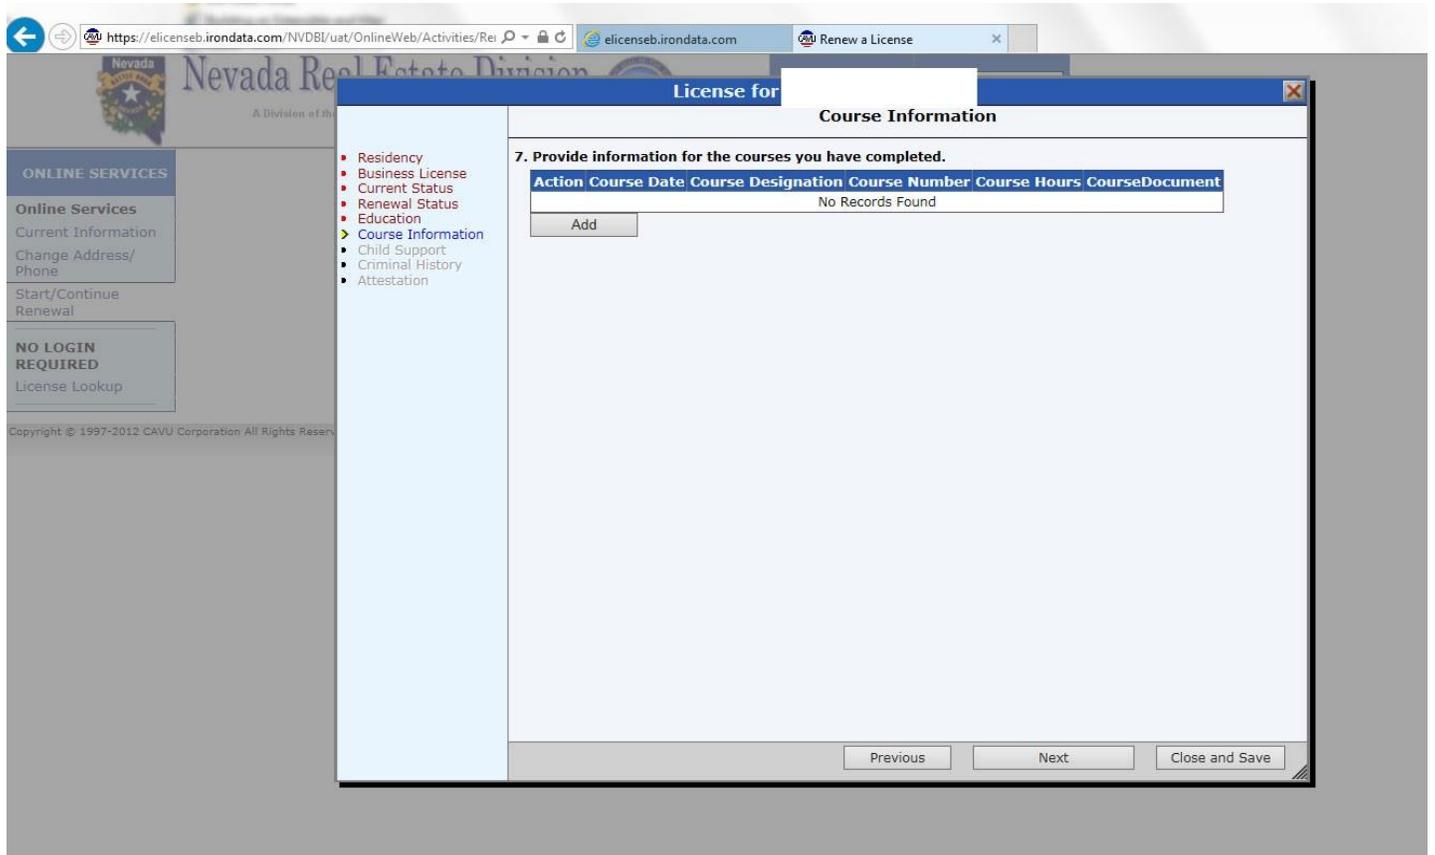

Key Realty School posts all course completions to the Nevada Real Estate Division instantly wherein all Key Realty School systems generate auto reporting.

The posting of said information by the Nevada Real Estate is done at the discretion of the Division and is not automated as of present.

Licensees can upload their own certificates within the state online renewal system if completed course work is not yet shown on the state posting.

Link to online services and renewal: http://red.nv.gov/Content/Online_Services/Online_Renewals/

The 6th screen encountered within the online renewal system as shown below, will allow the student to upload any certificate:

Licensees should click on "Add" on the Course Information screen noted above and then follow the prompts to upload the certificate according:
