

Nevada Real Estate Continuing Education Q and A

Q What is required to renew the Nevada real estate license?

A For those licensees renewing for anytime OTHER than the FIRST renewal, licensees are required to complete 24 hours of CE with 12 online and 12 in classroom within a two year period. If it is a licensee's **FIRST** renewal since becoming licensed, the renewal required to complete is 30 Hours of Post Licensing. All 30 hours must be done in the classroom, no online is permitted.

Q Licensee does not live in Nevada, can all 24 hours of CE be taken online?

A No, regardless of licensee home location, CE requires a minimum of 12 (out of the 24) credits in class. Licensee may complete ALL 24 hours in class if desired but not allowed all 24 online.

Q Why can't Licensee register for specific dates and where is the calendar?

A This problem usually occurs when the licensee has yet to enter their real estate license number in the license info tab of the dashboard. The license number must be entered and saved to the system before student can reserve specific classes in the classroom courses tab.

A Each online test for CE consists of 10 questions and you must obtain 75% or better to pass.

Q Why do Licensees have to take CE courses that he/she will not use or are not of interest?
