

Addendum – Clarification for commission structure and referral fee
Exhibit Designed to compliment the Key Advantage Realty Licensee Contract

Section 1 -

Any licensee who hangs their Nevada Real Estate license under the Key Advantage Brokerage name may participate in New home sales or refer outside of the Key Advantage referral network. Brokerage will pay licensee 80% of the total commission received by the brokerage as a direct result of said new home sale or outside referral. This section only applies to New Home sales.

Section 2 –

Should the licensee elect to receive a referral fee wherein the referral was not administered through the referral network and the brokerage did not designate the licensee of record for the transaction, the brokerage will pay 80% of any commission received. Said 80% of any referral fee is applicable should any compensation be received by the brokerage on behalf of the licensee wherein the referral or action performed to render the referral fee was not facilitated by the referral network.

Section 2 example: Key Advantage licensee Jane Smith refers a potential client Bob Jackson to her friend who practices real estate in Nevada, a licensee named Mark Turner. Mark is not a member of the referral network nor has Mark agreed to the policies and procedures of the referral network. Key Advantage Realty receives a referral fee noting Jane as the referring licensee on a transaction wherein Mark facilitated the sale. Key Advantage will pay Jane 80% of the referral fee received.
