- [Online Course resources – What resources are available](#)
  - [Online suggested method of study](#)
  - [How to select an on demand video instructor](#)
- [Items needed for application outside of the course](#)

This page is a quick guide to assist in getting started. Full course directions can be found in the course orientation section.

Classroom students can use the calendar located in the back of their course binder or [click here to access the online / digital calendar](#) of topics conveyed in live classroom lectures.

Course resources provided to prepare for State and National portion of Nevada Real Estate License exam are presented in the order recommended for study purposes and include:

- **CHAPTER PDF FILES**
- **LESSON PLANS** (Students should use the lesson plans as an independent resource of study or in tandem with the online video lectures. Lesson plans do not follow the video lectures verbatim but are more of a general summary of lecture topics)
- **VIDEO LECTURES**
- **AUDIO FILES**
- **REFERENCE GUIDES**
- **PRACTICE TESTING** (It is recommended that the online practice testing function for this subject is utilized once the student feels comfortable with the subject curriculum as a whole)

NOTE: This is not a clock hour course. The student will acquire the completion certificate by passing the certificate exam.

**After all the resources for study have been completed, use the certificate testing function to take the certificate test and acquire the certificate.**

In addition to the course resources, the following items are part of the licensing process and thus should be reviewed in the orientation section:

1. [Fingerprinting and background checks](#)
2. [State Testing Center Information](#)
3. [State forms required for licensing](#)
